**Hygiene Hand Antimicrobial Door Opener & Stylus**

I saw this product on Kickstarter:

The size is exactly the same as a credit card and the thickness is 3mm so you probably will not feel in your pocket. It is rigid enough to open doors with this tool.

**FozzieBlade** May 4, 2020

You got everything covered! I prefer face shields over face masks since my glasses always fog up with masks, and you created one with adjustable ear guards too ?
